Aus unserer Kollektion Corsico präsentieren wir Ihnen Schöne und langlebige Möbel die aus massivem natürlichem Buchen oder Eichenholz hergestellt werden .  
Zu ihrem Schutz verwenden wir Öle , die ihre Schönheit betonen und sie bilden auf der Oberfläche keine künstlichen und schädlichen Schichten.

Beautiful and durable furniture which is presented in Corsico collection is made of natural, beech or oak wood. It is protected by oil which magnificently emphasises its beauty without the use of artificial layers that may be harmful for humans.
